

Coverflex

360 ° Solutions

Solve all your temporary building requirements, inside and out, with Ausco Modular.

Covered Modular Walkways

Coverflex modular covered walkways are the perfect solution to providing instant protection outside and in between your buildings on site. Ideal for construction sites and a great alternative to custom-built decking and landings.

Speed

Coverflex modules can be delivered to site the same time as your buildings.

Safety

Non-slip covering increases grip, reducing the risk of injury.

Coverflex add-on handrails reduce the risk of falls.

Economical

Pre-built modules are cost effective on short-term projects and result in less waste on site.

Flexibility

Modules can be arranged in a number of ways giving flexibility for your site requirements.

Relocatable

Coverflex modules can move with your buildings.
