

Neerim District Secondary College

CLIENT
Sensum

LOCATION
Neerim South, VIC

ARCHITECT
B2 Architecture

TIMEFRAME
8 months

VALUE
\$4.09 mil

Nerrim District Secondary College required updated facilities after their older building was deemed too dangerous containing asbestos. The new architecturally designed permanent facility offers a functional hybrid learning environment that caters to both traditional and contemporary education styles.

Featuring:

- Four flexible multi-purpose classrooms
- Home economics space
- Staff work spaces
- Support and breakout spaces
- External decking & landscaped gardens
