

Water Tank

Check out our range of potable and non-potable water storage to help keep your site clean and functional throughout the project duration.

Potable Water Tank

- > Fresh drinking water storage available as a sale item
- > We supply and deliver to site, and assist you to arrange after sale services
- > Water tanks' sizes available on request

Non-Potable Water Tank

- > Non-potable water storage for hire to operate your amenities
- > 2500L to 5000L tanks available
- > Delivered on a skid
- > Complete with pump
- > Combine with an Eco Upgrade for maximum benefit

Ausco's water tanks are flexible and available in multiple sizes to suit your potable and non-potable storage needs. Perfect for projects where sustainability is an important initiative.
