

Porta-loo

We offer two portable toilet options to ensure your team have functional amenities which perfectly integrate into your site.

Chemi-loo

Our fully self-contained standalone (chemical toilet) option is great for sites where sewerage connections are not available, offered with servicing and pump out solutions for the hire period to ensure your facilities are maintained to the highest standard.

Specifications

Dimensions: 1120 W x 1180 D x 2350 H

Waste Tank Capacity: 400L

Fresh Water Tank Capacity: 105L

Plumbed Loo

Our sewer connected option (High rise toilet) is an innovative option and the ultimate solution designed to provide unparalleled convenience, especially for those who have direct sewer connections or septic systems.

Specifications

Dimensions: 1120 W x 1180 D x 2250 H
