

Coverflex

Coverflex Modular Walkways

Coverflex modular covered walkways are the perfect solution to providing instant protection outside and in between your buildings on site. Ideal for construction sites and a great alternative to custom-built decking and landings. Modular handrails are available for additional safety and fall protection requirements.

Speed

Coverflex modules can be delivered to site the same time as your buildings

Safety

Non-slip covering increases grip, reducing the risk of injury

Economical

Pre-built modules are cost effective on short-term projects and result in less waste on site

Flexibility

Modules can be arranged in a number of ways giving flexibility for your site requirements

Relocatable

Coverflex modules can move with your buildings, wherever you need
